## How to find us

Cork Airport is located just 8 kilometres from Cork City Centre on the south end of the N27 when coming from the North, West, or East of Cork and off the R600 when coming from Kinsale.

Our office is located airside, so you will not be able to park outside the building. You will need to go to the Cargo Area where you will be collected by a member of the team.

On arrival at the airport, go over the first roundabout, (passing the sign for Cork Airport Business Park on the right hand side.) Continue along the road, going over the next roundabout, (passing the sign for Cork Airport Hotel on your right hand side). Veering right, follow the signs for Cargo and keeping the new terminal building to your left. Continue along and take the first exit at the next small roundabout. Drive to the end of the road and bear left, passing the TNT hangar on your right. A little further along, turn right at the sign for Cargo/Weston Aviation and find a parking space. Once here, please call us on +353 21 432 9702 and a member of the team will come and collect you. Alternatively, please call us ten minutes prior to your arrival, and we will be there to collect you.

This is a drop off point only and you will not be able to park here for any length of time. If you require parking for a number of days, please call the team beforehand to arrange alternative arrangements. Please note that all passengers will require security screening to gain airside access.
